

Proposal: Create a state-affiliate-centric National Committee, made up of one member from each state affiliate. An Executive Committee is hired by the National Committee to run day-to-day operations. National Committee oversight replaces Judicial Committee oversight. Adjust checks-and-balances accordingly.

Description: Collapses Articles 6, 7, 8, 11, 12, and 13 into one new Article 6 and amends Convention Special Rules of Order to conform. National Party structural change. LNC to be made up of one member of each state affiliate; the state chair or their designee by default, but affiliates can decide who is on the LNC for their state. An Executive Committee of between 4 and 7 members are appointed/hired as at-will employees of LNC to run the party day-to-day. The Judicial Committee is eliminated; the National Committee acts as appellate board to overturn any Executive Committee decision. The National Committee must approve the annual budget as up-or-down vote. That audit committee is eliminated; the assistant treasurer works directly with hired independent auditor. The National Committee can overturn any decision of the Executive Committee. Notice and quorum requirements are modified based on the size of committees. Resignations do not require acceptance by the committee, and missing 2 meetings with 30+ days' notice is de facto resignation. Disallow mass-expulsion of parties. Disaffiliation and removal of presidential ticket require 3/4 of the Executive Committee and affirmative confirmation by 2/3 of the LNC. Permit exclusion from Executive Session for material breach of Executive Session rules. Permit any defined committee to create subcommittees for research, but all decisions are made by the main committee in open session. Clarify that access to Party resources are suspended during appeal period for disaffiliation. Suspension is appealable to National Committee. Shorten period for appeals and require faster decision, and make default judgment in favor of appellant. Fix APRC/EPCC open-meetings issue.

Rationale: Decentralizes and streamlines the party while increasing flexibility, stability, and accountability. The Executive Committee would be more nimble but also contemporaneously accountable to the affiliate-appointed LNC, and the affiliate-appointed members of the LNC are accountable to the members of their particular state parties in accordance with the bylaws of that affiliate. Resolves issue of state parties being “disconnected” from National. Reduces the amount of business required at each convention. Adds checks-and-balances to the system accordingly.

Proviso: This would take effect upon the opening of the 2026 Annual Convention, and the LNC Chair and LNC Secretary at the opening of the 2026 convention would serve as Convention Chair and Convention Secretary for the 2026 convention.
